23 ▼ I'm sure it'll be fine to show up unarmed! A lot of pedes will defend you if things get sour. We got your back brother!

9 ▼ I'm positive they will be overwhelmed by us! A lot of BLM and Antifa faggots hate the thought of the right to bear arms and additionally are probably too pussy to know how to properly use anything more than a 9mm/22lr. They can't and won't do shit against us!

7 ▼ In my 20s. Samuel Adams has something to say about this: "If ye love wealth better than liberty, the tranquility of servitude than the animated contest of freedom - go home from us in peace. We ask not your counsels or arms. Crouch down and lick the hands which feed you. May your chains sit lightly upon you, and your posterity forget that you were our countrymen."

Either go with a group, or find a group to stay with once you're there. The marxists won't do shit to groups, they seek out stragglers like a bunch of hyenas. Also, if you're going in alone or with a small group, wear something discreet on your way there. No problem going unarmed, but take that pocket knife or some kind of weapon you're comfortable with. I would also consider wearing some kind of padding on your arms, so if someone is swinging something at you you're able to block it without hurting your arms too much. It's gonna be cold anyway, so maybe even consider padding more than just your arms. If enough pedes show up, I don't even think the Marxists will be a problem, except maybe hiding at the outer edges hoping to find a straggler. But better to be prepared.

I'm probably going alone. Will find a group to stick by both showing up and going back to my car just for the added security. Not really looking to get in knife fights with crackheads or nothing like that lmao
